REMARKS

Entry of the amendments is respectfully requested. Claims 2, 4-10, 12, 15, 16-27, 38, 43-45, and 48 have been amended. Claims 1 and 42 have been canceled. 1. **Examiner Interview:**

The applicant thanks the Examiner for the helpful interview held on November 16, 2004. In the interview, the independent claims were discussed, including claims 1, 28, 29, 41, 42, and 48. The Examiner indicated that claims 28, 39, and 41 are allowable over the prior art of record. The Examiner also indicated that claim 48 would be allowable over the prior art of record if it were amended to specify in paragraph (e) that the fine particles having increased total surface area are the collected fine particles. The Examiner said that she plans on searching the art again. In addition, the Examiner indicated that she believed that she would maintain her rejection of claims 1 and 42.

2. **Amendments to the Claims**

In response to the Examiner Interview, claims 1 and 42 have been canceled. Claim 48 has been amended as suggested by the Examiner. The dependency of the claims that depended from either canceled claim 1 or 42 have been amended to depend from one of the other
